*I*N THE world wide struggle for the preservation of the democratic way of life, the vital role which is to be played by the youth of this nation, is recognized by both statesmen and educators. The more the youth of this hemisphere can learn of each other's way of living and basic identity of interests, the closer will be their ties of understanding and friendship.

To go a step further, the annual staff then, basing their conclusions on these observations have set up this book to depict the youth of this school. In the many years to come, many of these youth will remember this book as the background of their understanding and friendship.

To Miss Mabel Thayer — who has been with this school for fifteen years, we most humbly dedicate this annual. She has served with a boundless energy and faithfulness that will characterize her in our memories forever. Through her strength of character and sincerity of purpose, she has effected the lives of many of our c'assmates. We can only show our gratitude in this very small way.

Message to Seniors:

THE earth has moved around the sun four times since you were freshmen. If you lived on Neptune four trips around the sun would amount to over 650 of our earth years. That would be a long time to spend on a high school course. But even four years is a long time unless you have made good use of it. As you look back over these four years and think of the changes that have come to you since you were freshmen, are you satisfied with the progress you have made? If you are satisfied, and many of you have strong reason to be gratified at your achievement, it is now in order to resolve to make the next four years at least equal to those just past. But whether you are satisfied or not, it is in order now to make up your minds that you will use the power you possess to the very best of your ability in all your future work whether that be job or school.

"Let us then be up and doing, with a heart for any fate, still achieving, still pursuing, learn to labor and to wait."

SEPTEMBER 13, 1937:

A group of happy youngsters entered the portals of Banning Union High School, to take up their studies. After a week of being in constant fear of the Seniors, the Kid Party was held. After the party, school life resumed at the regular procedure. The only function of the year was a skating party, held at San Bernardino.

SEPTEMBER 12, 1938:

Sophomores—The same group, with the exception of a few, entered school and were headed for a big year. For the first time in school history a Sophomore Hi Jinks was presented. It was a great success. The class presented a minstrel show, and the other classes took part in an amateur show. At last this group was becoming known.

SEPTEMBER 18, 1939:

This year was a year of troubles for the class. Money had to be attained in order to give the Junior-Senior Banquet. With everyone's cooperation, the money was raised by selling candy and pop at football and basketball games, presenting the annual Junior play, and giving a few dances throughout the year. Finally the time had arrived. Preparations were made and the Banquet was held at the Redlands Y. W. C. A. on May 4.

SEPTEMBER 16, 1940:

High and mighty were the boys and girls that entered school this year. This was to be the stepping stone to the future. A few of the highlights of the year were: Senior Play, a sponsored show, a few dances, and a Charlie Chaplain review. At last, after four long years, the time had come to retire from Banning Union High School. Graduation.

THE Student Council, which is composed of members of the student body, is the functioning organization which directs the students in school law and finance. The aims and purposes of this body are to equip the minds of the students with a knowledge of school principles. The Council is advised by Mr. Powell.

The Student Council officers of the year were as follows:

	First Semester	Second Semester
President	Bill Satterfield	Bill Satterfield
Vice-President	Marvin Keele	Glenn Evans
Secretary-Treasurer	Doris Buttles	Doris Buttles
Business Manager	Thatcher Warren	Thatcher Warren
Yell Leader	Peggy Littleton	Barbara Stacey
Senior Class President	Harold Johnson	Harold Johnson
Junior Class President	Margaret Love	George Carter
Sophomore Class President	Harold Sims	Arland Privett
Freshman Class President	Alan Bisbee	Alan Bisbee

DURING the first semester, there was a full program for the purpose of acquainting the new girls with our school. At the end of the first week, the freshman girls were given a welcoming party at which they danced, enjoyed refreshments, and entertaining games. On October 9 the girls were entertained by a few musical numbers by members of the Girls' League.

At Christmas, several baskets were made and given to worthy families in the community. A one-act play was presented at the meeting on January 15, which was enjoyed by all.

The first program in the second semester was on March 19; this affair centered around the hobbies of the teachers and girls. The Spinsters' Dance on April 4 was a great success. The annual fashion show was on April 30. On May 7 the mothers were entertained by their daughters at the Mother's Day Tea.

The last program of the year was the inauguration of the new officers in the beautiful Cand'e Lighting Ceremony.

Sitting—F. Grande, M. Keele, D. Buttles, B. Bailiff, W. Millar, J. Seymour, B. Griswold, A. Hill, A. Bisbee, M. Johnson, F. Lockwood, R. Martin, H. Sartin.

THE Scholarship Club is one in which only the students with a high rating can enter. Our Scholarship is known as Chapter 42 of the California Scholarship Federation.

In order to attain membership in the Scholarship Society a student must have a semester average of three "A's" and one "B", physical education excluded. An "A" is three points and a "B" is one point, making a total of 10 points. If a member remains on the Scholarship for six semesters or more he becomes a life member and seal bearer and is awarded a life time pin.

One day a year is allotted to the Scholarship group, and the members may visit some interesting place. The Chapter plan is to go to a well known college every spring. This year the society expects to go to U. C. L. A.

Earlier in the year the Scholarship Society visited the San Bernardino Newspaper establishment and was shown the most important sections of the newspaper.

The organization is sponsored by Miss Mabel Thayer and Mr. Bondoc.

Block "B"

Standing—W. Lynch, L. Wahl, C. McIntire, G. Carter, L. Lewis, R. Jones, R. Irvin, H. Sims, M. Keele, L. Satterfield, B. Metje, D. Iund, C. Arnold, E. Satterfield, E. Burgess, D. Martinson, Coach Spraker, D. Germain.

Kneeling—B. Danforth, B. Satterfield, H. Johnson, T. Warren, J. Seymour, A. Dugger, F. Grande, D. Williams.

THE Block "B" is made up of the boys who have made a varsity letter in football, basketball, track, or baseball. The Block "B" was fairly active this year, meeting every Tuesday to discuss any matter that was on hand. They also sponsored a few dances that were successful.

The Block "B" is a club that is limited to a few. These few have shown their prowess in athletics and were awarded a letter for their efforts. They then were voted into the club by the previous members.

A formal dance is planned for this spring and it should prove to be a real success. An orchestra will be hired and the dance will probably be held in the Woman's Club. The Block "B" has never attempted anything of this kind, so a chapter will be added to the annals of the Block "B."

The club is sponsored by Coach Roland V. Spraker, who came from Occidental College this year.

Dancing

Top row—T. Warren, E. Cox, D. Miller, M. Seymour, M. Hill, M. Leach, W. Millar, R. Martin, B. March, L. Satterfield.
 Third row—A. Bisbee, D. McKenzie, E. Majors, E. Sanchez, D. Williams, B. Calvert, J. McCrea, F. Black, A. Hill, D. Buttles.
 Second row—Miss Bird, E. Arreola, B. Santa Cruz, E. Flores, C. Jackson, J. McCann, O. Crawford, B. Stacey, M. Johnson, Mrs. Varney.
 Bottom row—N. Hunter, A. Olguin, A. Arreola, G. Becerra, I. Sanchez, I. Eidson, M. Westerfield, S. Gonsolus, F. Lockwood.

THE Dancing Club, certainly the most popular in school, was begun in the fall of 1939 by Mrs. Varney and Miss Bird. This year the members number over seventy-five. The group meets every Monday afternoon and enjoys dancing to waltz, rhumba, conga, and even the well-known jitterbug recordings.

Ten cents a semester is paid by each member as dues to the organization. The dues are contributed to the fund for buying new records. The group has a very large, up-to-date selection of records of all the prominent orchestra leaders of the day. In this manner the members of our dancing club are quite familiar with the trend of modern music and dancing.

Archery

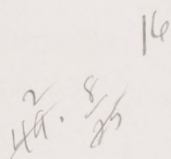

Left to right—I. Lockwood, S. Blain, C. Ortega, C. Lancaster, L. Sauers, Mr. Powell, K. Koon, K. Little.

THE Archery Club is composed of students from every class. Under the direction of Mr. Powell, the club meets every Tuesday afternoon and retires to the back of the school where an archery range has been set up.

This is the first year archery has been taken seriously. In previous years there have been a few who have had an enthusiastic feeling toward archery, but not until this year has the club been very active. The Archery Club has been very successful this season, and it is hoped that this group will continue to manifest interest in a worthwhile activity.

Girls' Chorus

A VERY active group of nineteen voices composed the Girls' Chorus this year. The chorus took part in four programs during March; the first, for the Mormon Church in San Bernardino; the second, for the Banning Kiwanis Club; the third, for the Mormon Church in Riverside; and the fourth, for the Methodist Church of Banning.

Combined with the Mixed Chorus, the fifth annual Christmas program was given. The two choruses gave a half-hour program for the Woman's Club on January 28. The combined choruses presented the operetta, "Oh, Doctor," which was a huge success. The choruses appeared on the Public Schools Week program and also took part in the County Secondary Music Festival in Riverside.

The Girls' Chorus ended its very successful year by singing in the Baccalaureate and Commencement exercises.

First row—N. Hunter, I. Eidson, J. McCrea, M. Johnson, G. Shaw, F. Lockwood, D. Buttle, W. Millar, A. Hall.

Second row—C. Seymour, M. Leach, A. Hill, D. Green, D. Williams, N. Higbee, E. Bischke, L. Thomas, A. Rutherford and Miss Bird.

Mixed Chorus

THE Mixed Chorus, composed of twenty-three voices, had a busy year. Headed by Miss Bird, the music director, the chorus sang at Teachers' Institute in Riverside. The group also took part in the annual Christmas program.

"Oh, Doctor," our school's annual operetta, was given by the choruses on February 28, 1941. The Girls' Chorus and Mixed Chorus traveled to Riverside where they sang in the County Secondary Music Festival. By singing at the Baccalaureate and Commencement exercises, a very successful year was ended.

Orchestra

Due to its small size, this group gave few public performances. The wind instruments played for the home football games and accompanied the singing of the pep songs.

A group of four was selected to participate in the County Secondary Music Festival in Riverside on April 25 and 26.

The orchestra played at Commencement.

Left to right—G. Evans, L. Satterfield, T. Cloud, E. Bischke, L. Lewis, L. Thomas, M. Johnson, G. Shaw, E. Satterfield, A. Hall, B. Kennedy, A. Rutherford, J. McCrea, M. Moran, D. Iund, N. Higbee, A. Operetta

ON February 28, the operetta "Oh, Doctor," was presented in the Banning High School Auditorium. Despite the bad weather, a large crowd attended and the operetta was a huge success. This operetta was a rollicking fun fest, full of laughter, good acting, and good singing. The players and singers were advised and instructed by Miss Bird, Mrs. Varney, and Miss Webbeking.

RECORD CROWD SEES BANNING, COACHELLA TIE

City Takes Holiday To See Gridiron Battle

Before what is believed to have been the largest crowd that has witnessed a football game in Banning for several years, the charging Bronchos of the local high school met the hard hitting Coachella team in a 0 to 0 tie.

Varsity Football

*A*FTER a practice game with Hemet the Broncos officially started their season with a hard 0-0 battle against Coachella. The game was played at Banning. The following week the team traveled to Palm Springs where a 6-6 tie was played. With two ties the Broncos went to Beaumont determined to win but returned with a 6-6 tie. The next game was at Coachella and this was the first game in which Banning tasted defeat by a 12-6 margin; Coachella making its winning touchdown in the last two minutes of play. The Indians from Palm Spring came to Banning and were sent home with a 12-7 defeat. The last game with Beaumont was a disaster for Banning. Beaumont was on the long end of a 40-6 score.

Banning ended up in third place with one win, three ties, and two defeats.

FOR the second year the Varsity squad has come through with a championship team. As good or better than last year's team, this year's group won six out of seven league games to rank first in league competition. Height and speed were the main factors of the team. All of the boys on the first string will graduate this year, leaving space for a new squad. Good luck for the future teams.

“C” Basketball

PROBABLY the smallest boys in school composed the “C” team this year. Despite their size they played fast and hard and gave the opposing team trouble. They played three league games this year, winning one and losing two. Most of these boys are Freshmen and will have three more years ahead of them. Good luck.

Track

WITH a worthwhile field to practice on, the track squad had a good year. The boys took a greater interest and also took more pains in their events. The results showed in the county meet. This year’s squad proved to be one of the best in recent years.

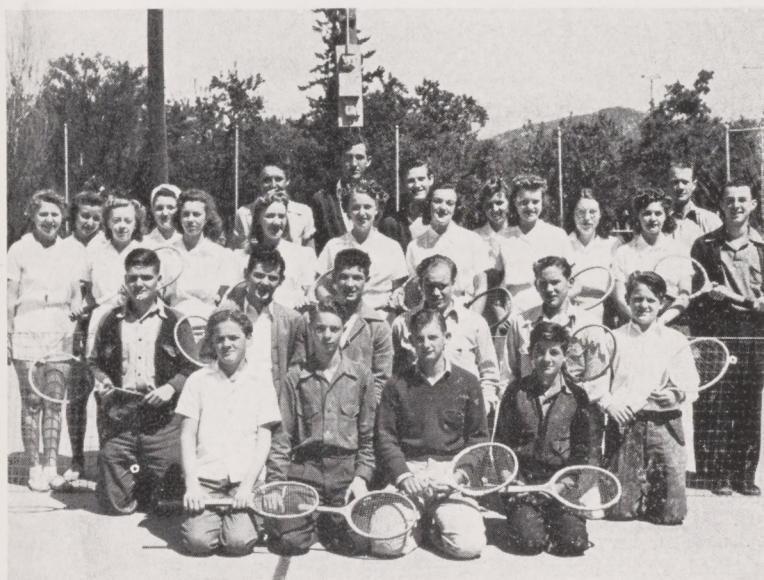

Tennis

WITH a large turnout for tennis this year, it was difficult to pick a team. After a few weeks of practice the final team was selected. Most of the boys had no tennis experience prior to this year. This, however, did not mar their excellent showing in the tennis matches.

Baseball

DUE to inexperience, the baseball squad lost all their league games. With the exception of one senior, the squad was composed of juniors. The spirit and team play was as good as any team in the league. The main weakness of the team was in batting.

We will be looking for a banner year, as most of the squad will be returning next year.

THE Girls' Athletic Association had a membership of approximately thirty during the year 1940-41.

Inter-class tournaments in volleyball, basketball, and baseball were played. Tennis and badminton, as individual sports were played by those girls interested. A play day was held on April 19, with girls from Palm Springs, Beaumont, Coachella and Blythe participating in the festivities. The G. A. A. sponsored several dances and a number of food sales.

A Girls' Athletic Federation convention was attended at Santa Barbara, California, on March 22. Six delegates from Banning High School attended.

A G. A. A. pin was adopted this year. It featured a winged foot with a guard designating the member's graduating year. These pins were extremely well liked. The officers' pins were similar to those of the general membership, with the guards being indicative of their office.

Dear Miriam,

Last year I didn't even know your nickname. I know you pretty well this year. You've sure been swell to me. I've sure been in a lot of manor scraps and had a lot of trouble and fun too. I sometimes wonder where you got all your knowledge. Here's hoping of and for a good debate season next year and that's not all, at least for me. Lots of luck with Wayne. I think he is all right.

Ralph Martin
